

Just think. Three weeks from today, you could be joining many old friends for Friday afternoon Ritual. We really hope you will. There are now 85 people pre-registered on the Queen's Homecoming page and we've had RSVPs for 69 people for Saturday night dinner and 57 people for Sunday brunch. We would like to finalize all of our plans and so I hope you'll let us know if you are coming. The catering arrangements have to be finalized no later than **September 18th**, so please RSVP soon.

For an updated list of events and reminders, please read on - and check the Science83.com website for updates.

See you soon!
